Announcement: February 16, 2023

JGW International is thrilled to announce that as a leading provider of critical defense equipment to support the warfighter, we have secured a multi-year, highly coveted Department of Defense contract. This win is a testament to the hard work and dedication of the entire JGW team, and we are honored to have been selected for this critical project.

We are proud to have the opportunity to contribute to the safety and security of our nation. The project will require us to leverage our extensive experience in Aerospace and Defense, and we are confident that we have the right team and partners to deliver exceptional results.

Our commitment to excellence and unwavering focus on customer satisfaction has been critical to our success with our partners in the defense industry. We look forward to working closely with our government partners to ensure the successful execution of this project, and we are committed to delivering on time and within budget.

This contract win is a significant achievement for our company and a testament to the strength of the defense industry and its vital role in protecting our nation. We are grateful for the opportunity to contribute to this vital mission. We look forward to continuing our work with our partners and the government to support our national security.
